This modest church is known worldwide thanks to Van Gogh, whose famous painting can be seen at the Musée d'Orsay.

Completed at the end of the reign of Louis XIV, this chapel hosts over 40 sacred music concerts every year.

Founded in 1228 by Louis IX - the future Saint Louis - this Cistercian abbey is an architectural masterpiece of Gothic art.

RE-OPENING OF NOTRE-DAME DE PARIS

In anticipation of its reopening, an immersive virtual reality experience offers a journey to the heart of this Unesco World Heritage gem.

Group bookings open in March for visits in June after Pentecost, for groups of 25. No groups during mass on Saturday afternoons and Sundays. Only accredited guides will be allowed, or volunteers can provide guided tours free of charge.

Audiophone rental available.

2 Dôme des Invalides - Tomb of Napoleon 1st

3

This radiant Gothic splendor, with its exceptional stained glass windows, is a veritable vessel of polychrome light.

4

Behind its immaculate whiteness and Romanesque and Byzantine domes lies one of the most breathtaking panoramas of Paris.
